

LRFP Tutorial Contents

Part A: Introduction and Getting Started

- A:1 Logging On
- A:2 Getting Help
- A:3 Website Organization | Home Page
- A:4 Website Organization | Main Menu
- A:5 Website Organization and LRFP Reporting Tasks

Part B: Reviewing and Updating Existing Inventory

- B:1 Introduction
- B:2 Accessing Inventory Data
- B:3 How Your District's Inventory is Organized
- B:4 Accessing "List" and "Detail" Inventory Views
- B:5 How to Stay in Detail View to Edit Multiple Records
- B:6 How to Quickly Create New Records for Similar Inventory Items
- B:7 Updating District Record/Contact Information
- B:8 Working with Site Records
- B:9 Reviewing and Updating Existing Site Records
- B:10 Creating a New Site Record for an Existing Site
- B:11 Deleting an Existing Site Record
- B:12 Working with School Records
- B:13 Reviewing and Updating Existing School Records
- B:14 Creating a New School Record for an Existing School
- B:15 Deleting an Existing School Record
- B:16 Working with Asset Records
- B:17 Reviewing and Updating Existing Asset Records for Buildings
- B:18 Deleting an Existing Asset Record for a Building
- B:19 Adding a New Asset Record for an Existing Building
- B:20 Adding a New Record for an Existing Parking Lot, Play Field, or Playground
- B:21 Working with Room Records
- B:22 Reviewing and Updating Existing Room Records for Net Program Spaces
- B:23 Adding a New Room Record for an Existing Net Program Space

- B:24 Adding a New Record for a Grossing Factor Space
- B:25 Deleting an Existing Room Record
- B:26 Reporting Options on Existing Inventory

Part C: Troubleshooting Data Migration Problems

- C:1 Introduction
- C:2 Splitting One Migrated Asset into Multiple Assets
- C:9 Merging Multiple Assets into a Single Asset
- C:16 Moving an Asset to a Different Site
- C:17 Reporting Options on Migrated Data

Part D: Defining Potential Inventory and System Needs

- D:1 Introduction
- D:2 Accessing Potential Inventory and System Data
- D:3 Identifying Potential Inventory Needs
- D:4 Identifying a Potential Site
- D:5 Identifying a Potential School
- D:6 Identifying a Potential Asset
- D:7 Identifying Potential Rooms
- D:8 Working with Systems Deficiency Records
- D:9 Adding a New Systems Deficiency Record
- D:10 Editing and Deleting Systems Deficiency Records
- D:11 Reporting Options on Potential Inventory and System Needs

Part E: Identifying District Enrollments

- E:1 Introduction
- E:2 Accessing District Enrollment Projections
